

XFBF AGM

(Annual General Meeting)

The Xi'an Foreign Business Forum is holding its first Annual General Meeting (AGM) and dinner on Friday March 5th at Colabo on the North Street (see below for map and details).

The AGM is the time for new committee members to be voted in, a committee president to be chosen, and the official XFBF constitution to be voted on. We will present our past year's operation as well as expand on the coming years plans. All paid XFBF members are allowed to attend and vote, if you are not a member yet you can sign up at the AGM and receive full voting rights. The AGM will convene at 5:30pm on the fourth floor of the Colabo building and will last about one hour.

At 6:30pm everyone is invited to Colabo for a great Italian feast and to welcome the new committee and president. This is a first for the XFBF and for everyone that has wanted to get involved this is the chance.
